A screenshot of a web browser window showing the Microsoft account creation page. The browser's address bar displays 'https://signup.live.com/signup?'. The page title is 'Microsoft account'. The main heading is 'Create account'. Below it, a subtext reads 'Microsoft account opens a world of benefits.' There are two input fields: the first contains 'loy2017@yahoo.com' and the second contains masked characters '.....'. Below the input fields is a checkbox labeled 'Send me promotional emails from Microsoft'. There are two links: 'Use a phone number instead' and 'Get a new email address'. At the bottom, a line of text states 'Choosing Next means that you agree to the Privacy Statement and Microsoft Services Agreement.' There are two buttons: 'Back' and 'Next'. The 'Next' button is highlighted with a red rectangular border. The Microsoft logo is at the bottom center of the page.

We need a few more details

Enter **name**, **country** and **email address**

The screenshot shows a web browser window with the URL <https://app.vsaex.visualstudio.com/profile>. The page title is "Review Information". The user is logged in as "loy2017a@yahoo.com" and can click "Sign out". The main heading is "We need a few more details". The form contains three fields: "Your name:" with the value "loy2017a", "From:" with a dropdown menu showing "Thailand", and "We'll reach you at:" with the value "loy2017a@yahoo.com". Below the fields is a checkbox for "Microsoft may use your contact information to provide updates and special offers about Visual Studio. You can unsubscribe at any time." which is currently unchecked. A blue "Continue" button is highlighted with a red border. At the bottom, there is a disclaimer: "To keep our lawyers happy: By continuing, you agree to the [Terms of Service](#) and the [Privacy Statement](#)."

The screenshot shows the Microsoft Azure sign-up process. The left sidebar contains the 'Developer Program Benefit' link and a 'Learn more' dropdown. The main content area is titled 'Sign up' and shows a progress bar with four steps: 1. About you (completed), 2. Identity verification by phone (active), 3. Payment information, and 4. Agreement. In the active step, there are input fields for country (Thailand (+66)), phone number (8 4007 5544), and a verification code (504398). A red box highlights the 'Verify code' button, which is a green button with white text. Other buttons include 'Send text message' and 'Call me'.

Try Microsoft Azure

Microsoft is committed to supporting university faculty and students

When it comes to accessing Azure, you have options.

Take a look at these direct to student and research specific programs to determine the one that's right for you.

Visual Studio Dev Essentials

Microsoft's most comprehensive free developer program includes developer tools such as Visual Studio Community and Code along with Azure Credit of \$25/month for 12 months. A credit card and phone number are required for activation of the Azure Credits. The program also includes free world-class training and support for 3 months.

Azure 30-day Free Trial

Offers \$200 in Azure credits for 30-days for anyone with just an e-mail address. You can use the \$200 credits towards any of the several Azure Services such as Virtual Machines, SQL Databases, Storage and Machine Learning. A credit card and phone number are required for identity verification during sign up.
